J BAR J YOUTH SERVICES

Facilitating Positive Change For Youth

Since 1968, when we have seen an unmet need and youth struggling in Central Oregon, we have added programs to help them. We now have eight separate programs, each providing a spectrum of services. We are the largest social services organization helping youth in Central Oregon.

Central to all of our programs is the idea that our thoughts and beliefs influence our choices, and our choices define our futures. If we can learn recognize unhelpful thoughts and mistaken beliefs, we can choose a brighter future.
